

Minghui Report: 97 Reported Cases of Chinese Propaganda Officials Receiving Karmic Retribution for Their Role in the Persecution of Falun Gong

Appendix 3: Select Cases of Chinese Propaganda Officials Suffering from Illness or Injuries

Liang Guobiao (梁国标): Head of *Yangcheng Evening News*

Liang was Head of Zhaoqing City Propaganda Department in Guangdong Province before he became head of *Yangcheng Evening News* in 2002. While he was a propaganda official, he wrote many articles defaming Falun Gong. His wife and daughter both practice Falun Gong and urged him to stop slandering the practice. He refused to listen and often beat his wife and daughter.

He later divorced his wife and married his mistress. He claimed that Falun Gong broke up his first marriage. He later had lung cancer.

Liu Zhaoxing (柳昭兴): Head of Tangyuan County 610 Office in Heilongjiang Province

Liu was the head of Tangyuan County Propaganda Office and also served as head of the {{610 Office}} after the persecution began. Under his directive, many local Falun Gong practitioners were arrested. A few were sentenced to up to 10 years. He is now suffering from avascular necrosis (death of bone tissue).

Sun Lei (孙雷): Head of Northeastern University Propaganda Department

Sun was very active in persecuting Falun Gong practitioners at his institution in Liaoning Province. He developed kidney stones and other symptoms.

Ren Yuqing (任玉清): Head of Luju City Propaganda Department in Shandong Province

Ren went to Weifang City around July 1999 to attend a meeting about persecuting Falun Gong. He was in a car crash on the way home and was severely injured.

Jia Zhibin (贾智彬): Head of Wei County Propaganda Department in Hebei Province

Jia was very active in persecuting local Falun Gong practitioners. A thief broke into her home in 2004 and slashed her face.
